**Subject: Endorsement from the European Investment Bank**

By this letter, in accordance with the Operations Manual of the Deauville Transition Fund, the European Investment Bank (EIB) endorses the request by Egypt to act as Implementation Support Agency (ISA) for the project: « Logismed Soft TA - Activities in Egypt ».

As required in the Transition Fund Operational Manual (paragraph 53), the normal procedures and policies have been followed to the point of finalization of project preparation. We are pleased to confirm EIB approved and signed the Financial Procedures Agreement today,

EIB supports this important initiative in line with the objectives of the Deauville Transition Fund: LOGISMED will support the enhancement of logistic platform capacities in Egypt and enable the creation of a collaborative network between logistic platforms, in order to improve country capacities and attract foreign investments, which should ultimately benefit growth and job creation. We are also pleased that this initiative will build on the technical assistance to LOGISMED previously provided by EIB's FEMIP Trust Fund.
