25 April 2016

Dear Representatives of the Steering Committee,

The Organisation for Economic Cooperation and Development (OECD) hereby endorses the project presented by the Government of Jordan entitled *Jordan Youth in Public Life: Towards open and inclusive youth engagement* and is ready to assist the Government of Jordan to carry it out and implement it in accordance with the Transition Fund's Operations Manual and related procedures, and consistent with the terms of the Financial Procedure Agreement agreed with the Trustee.

The project intends to support Jordan in building stronger mechanisms for youth engagement and mainstreaming their considerations in public life through: (a) Fostering an integrated approach to youth engagement in public life in Jordan; (b) Scaling up the institutional and legal framework for youth engagement in youth bodies and Parliament; and (b) Promoting new forms of youth engagement. The proposed project is part of a broader regional initiative which will benefit stakeholders in Jordan and in other MENA countries.

This project has been prepared and finalised according to the OECD normal policies and procedures as set up by the OECD Governing Body. The appraisal of the project has been completed and cleared by the OECD management following internal consultation of the relevant OECD offices.

This endorsement letter is accompanied by the proper documentation reflecting the agreement by the OECD Governing Body to carry out such activities. The project proposal is hereby submitted to the Steering Committee with a request for approval.

Sincerely yours,

Andreas Schaal
