Subject: Morocco - Support to Parliament: Strengthening Accountability and Oversight in Morocco

Dear Sir,

The Ministry of economy and finances is pleased to endorse the submission of the Moroccan Parliament proposal "Strengthening Accountability and Oversight in Morocco" with the World bank as an Implementing Support Agency.

This project, which is enrolled within various reforms implemented by Morocco, includes three main components: (i) open Parliament, (ii) legislative oversight and budget analysis and (iii) exchange and regional cooperation within the MENA Region.

Supporting the Moroccan Parliament is considered strategic to the Government of Morocco to implement various actions aiming at the implementation of various projects of upgrading of parliamentary action and its harmonization with international standards.

We thank the Steering Committee for its consideration and support of this important project and look forward to enhance our continuous cooperation.

Best Regards

MENA Transition Fund
